Joselyn Reyna-Flores | Senior, Carson High School
"The Club has provided me with learning opportunities that I wouldn't have gained if I hadn't involved myself with the family that the Club creates. Like Mother Teresa said, "I alone cannot change the world, but I can cast a stone across the waters to create many ripples." And if it weren't for the ripples that the Club cast my way, I wouldn't have gotten as far into life as I am now."

IMPACT
REPORT

OUR MISSION: To inspire and enable all young people, especially those who need us most, to realize their full potential as productive, responsible, and caring citizens.

For 2022 I would like to highlight our **Multicultural Night**, our Teen Center hosted our community and brought together many different foods from cultures all over the world. They had fun activities and showcased our awesome Teen Center. Another event would be our **Journey for Hope**. After a two year break, we hosted Journey for Hope again. They were greeted out front by our youth, then came in and enjoyed lunch, hung out and played fun activities with our members.

A LETTER FROM OUR CEO

I want to thank you for entrusting your kids to us and for your continued support. We are grateful that you are raving fans of the Club! I am proud of all that we have accomplished together. We ended the year stronger at every level—attendance, membership, financially, strategically...you name it, we're stronger. Because of 2022, this time next year we will be celebrating more youth, families, a new Early Learning Center, and we will be underway with our growth plans in Carson Valley. **As we've learned, we successfully progress if we do it together. We can't do it without YOU!** Thank you for all you've done to help celebrate our Club. But I also want to thank you in advance for what you are going to do in 2023—our 30-year anniversary—to help us transform the landscape of our community in new ways!

Your friend – Brett Zunino

I love seeing the youth of our **community shine**. The Club provides a space for learning, creativity, growth, and safety. Throughout my five years on the Board, I have seen Club members grow into charismatic young adults and future leaders through the incredible programming at the Club. I am proud to be a part of this organization.

-Lexy Peterson, Board Member

We are honored to have **Larry and Susie Messina** in our community and excited to share they are the 2022 recipients of our **Bob Crowell Community Ambassador Award**. Larry and Susie are both past BGCWN Board Members and have been vital to our success in impacting the youth within our community. They were involved in Boosters and Rotary, Susie had a thriving gift store, Larry was, and still is, involved with the hospital fundraising for cancer support, and he has also mentored at risk youth.

My favorite thing about the club is there is a wide variety of things for me to do and everyone is treated equally no matter if you're rich, poor, homeless, or special.

Everyone is treated the same.
